Your **DIRTY ROOF** Is Costing You **MONEY!**

1. A dirty roof detracts from the appearance of your home and neighborhood.
2. The heat gain on a dirty roof will cause attic temp. to increase by 20-30 degrees.
3. Air conditioning costs can go up by as much as \$25 monthly per unit with a dirty roof.
4. The added thermal expansion and contraction of your roof tiles will drastically shorten the life of the tile and cause cracks in the thin lap portion of the tile, possibly letting water in.
5. Fungus, Algae and Mold on your roof can release spores into the air and tracked inside your building causing an unhealthy environment and trouble for allergy prone people.
